

REMARKS

Claims 1-50, 95, 99-100, and 106 have been cancelled. Accordingly, claims 51-94, 96-98, 101-105, and 107 are pending.

In response to the Final Office Action mailed on May 6, 2003, the Applicant amended the claims. However, the Examiner declared the amendment document filed on August 8, 2003 was considered to be non-compliant because it failed to meet the requirements of 37 C.F.R. 1.121, as amended on June 30, 2003. The Examiner has stated that only the section (1.121(h)) of the amendment document containing the omission or non-compliant provision must be resubmitted (in its entirety), e.g., the entire "Amendments to the Claims" section of the Applicant's amendment document must be resubmitted.

The Applicant inadvertently filed the amendment without a complete listing of all of the claims. The Applicant has reviewed the requirements of 37 C.F.R. 1.121, as amended on June 30, 2003, which is available of the U.S. Patent and Trademark Office website. A printout of the appropriate portion of the website has been included with this document to show the proper examples of listing the claims. To correct this defect, the "Introductory Comments for Amendments" section, and the "Amendments to the Claims" section of the Applicant's amendment document has been recited above in accordance with 37 C.F.R 1.121, as exemplified.

The Applicant assumes the remainder of the response to the Final Office Action mailed on May 6, 2003, is compliant and the arguments and remarks will be duly considered. As per the remarks and amendments contained herein, and in the papers filed on August 8, 2003, reconsideration and allowance of all of the pending claims is respectfully requested. No new matter has been added by the amendments.

In view of the foregoing, Applicants believe that claims 51-94, 96-98, 101-105, and 107 present allowable subject matter and allowance is respectfully requested. If any impediment to the allowance of these claims remains after consideration of the above remarks, and such impediment could be removed during a telephone interview, the Examiner is invited to telephone Gary Oakeson, or in his absence the undersigned attorney, at (801) 566-6633, so that such issues may be resolved as expeditiously as possible.

Please charge any additional fees except for Issue Fee or credit any overpayment to Deposit Account No. 20-0100.

Dated this 16th day of Sep, 2003.

Respectfully submitted,

M. Wayne Western
